

Dear Amblebrook Friends,

As we work together to comply with CDC requirements related COVID-19, your health and well-being continue to be our top priority. During this time, we are committed to creating meaningful ways to keep you informed and connected.

To comply with the orders from Governor Wolf, we have temporarily closed our Visitor Center, model homes, and construction site. Until we are able to reopen, we look forward to providing up-to-date information through a variety of online resources. We encourage you to visit our website often to:

- Browse home plans and virtual tours
- Learn about our resort-style amenities
- Explore the rich culture and history of life in Gettysburg

In this time of social distancing, please know that we are still as close as your computer, phone or tablet, and we're grateful for every opportunity to connect with you. Here are a few easy ways to stay in touch:

- Receive enlightening updates, engage with fellow Founders, and share your experiences on Facebook or Instagram
- Meet with our builders through FaceTime, Skype and video conferencing, and utilize DocuSign for signing contracts and addendums
- Call our friendly Lifestyle Sales Manager, Kim Corridon, at 717-345-8150 to discuss questions, share ideas, and learn more about the Amblebrook way of life

We remain dedicated to doing our part to minimize the impact of this health-related issue across our nation, and look forward welcoming you to our community again soon. In the meantime, be on the lookout for future updates that will include tips, ideas, and inspiring ways to continue your journey to Amblebrook from the comforts of home.

Warm regards,

*Mike Batka CEO,*

*CCD Rock Creek, LLC*
